

MSV Asia Scholarship

In 2022, MSV Systems & Services Pte Ltd made a gift of \$150,000 for the purpose of establishing an endowed scholarship for outstanding undergraduates of CDE who are specialising in semiconductor-related courses.

This bond-free undergraduate scholarship of S\$7,500 per annum is awarded to a deserving student for his/her normal course duration.

This scholarship is **by invitation only**. Shortlisted students will be invited to submit the necessary documentation and may be required to attend an interview.

Selection Criteria

The applicant should:

1. Be a Singapore citizen or a Singapore Permanent Resident.
2. Be a full-time CDE undergraduate in his/her first year of study (i.e., matriculation year).
3. Possess outstanding Singapore-Cambridge GCE A Level, local polytechnic diploma, International Baccalaureate diploma, NUS High School diploma or equivalent qualification. Participation in extra-curricular activities or community service will be considered favorably.
4. Should not be a concurrent recipient of any other form of aid such as grants, bursaries and scholarships without the prior approval from the respective awarding bodies.

Scholarship recipient needs to complete at least 12 Units of courses that are related to semiconductors over the normal course duration. In addition, the recipient needs to maintain a Grade Point Average (GPA) of 3.50 and above in each academic year to continue receiving the scholarship.
