

Career Development at CDE

Career Programmes

Enabling students to understand themselves better and acquire industry skills and experience.

Career Advisory

Take charge of your personal and career development with the help of your dedicated Career Advisor.

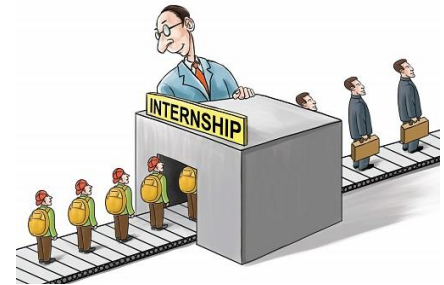

Career Events

Enabling students to explore potential career options, network and apply for opportunities.

Internships

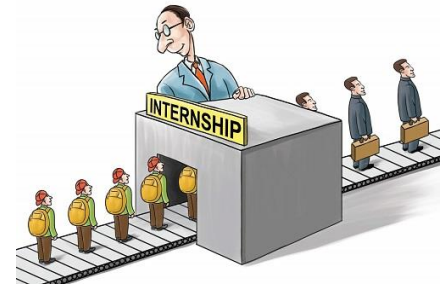

Internships provide students with the opportunity to apply classroom knowledge to practical work situations, gaining valuable work experience, industry knowledge and skills.

Internships at CDE

Internships are a key element of the College's emphasis on experiential learning. Every degree programme offers a unit bearing internship programme.

It is our hope that with the help of our industry partners students will receive a meaningful and holistic work experience at the end of their internships.

Upcoming Event: CDE Career Fair

A promotional poster for the CDE Career Fair 2026. The poster has a dark blue background. In the top left corner is the NUS logo and the text 'College of Design and Engineering'. In the top right corner, the text 'Design and Engineer Your Future' is written in white, followed by '8 & 9 September 2026'. The center-left features the large white text 'CDE Career Fair 2026'. The center-right displays 'NUS Block EA Atrium' and '10.00am – 5.00pm'. At the bottom, there is a stylized graphic of a building with orange and blue geometric shapes. One of the building's sections is white with blue horizontal stripes and the text 'Design and Engineering' written on it.
