Research Metrix: Google Scholar: Total citations 440; h-index: 7; i10-index: 6;

1. EMPLOYMENT HISTORY AND ACADEMIC APPOINTMENTS

2023 – present: Deputy Director Master of Urban Planning; Department of Architecture, NUS

2022 – present: Associate of the STS and Urbanism Cluster at the Asia Research Institute (ARI, NUS)

2021 – present: Assistant Professor for Architecture and Urban Design at the Department of Architecture at the College of Design and Engineering, National University of Singapore (NUS); Urban Transitions Lab lead

2025 March – July: Visiting Professor, Department for Architecture, ETH Zurich

2019 - present: Founding Partner and Consultant at **HANAKATA** (LLP), a research and planning practice

2018: Visiting Professor, Rice University

2016-2020: Postdoctoral Researcher, Future Cities Laboratory, Singapore-ETH Centre

2. EDUCATION

2011-2016: Doctor of Science ETH Zurich;

2015: Post-graduate Certificate Programme at the London School of Economics;

2008-2010: Master of Science in Architecture, ETH Zurich;

2004-2007: Bachelor of Science in Architecture, ETH Zurich;

2001-2004: Bachelor of Arts in Japanese Studies, University of Tuebingen;

3. FELLOWSHIPS AND AWARDS

2025 (March to July): Senior Fellow at the Swiss Institute of Advanced Studies, Collegium Helveticum;

2020 - 2023: Fellowship of the Salzburg Global Seminar / Nippon Foundation; Japan India Transformative Technology Network;

2020 Sakae Stünzi Foundation Publication Award;

2015 Future Cities Global Special Award for Continuous Development;

2008 ETH Zurich Heinrich Degen Foundation Travel Award;

4. MEMBERSHIP AND AFFILIATIONS

Association of American Geographers (AAG);

PROFESSIONAL SERVICES

Editorial Board: [disp – The Planning Review](#), ETH Zurich, Taylor & Francis; [Urban Transitions](#), ScienceDirect.com by Elsevier; [South Atlantic Quarterly](#), Duke University Press;

Scientific Advisory Board: [Urban Climate Future Lab](#), TU Braunschweig;

Reviewer at different journals, including *Urban Studies and Planning Theory*;

5. COMPETITIVE RESEARCH GRANTS (last 3 years)

- (1) PUB Coastal Protection and Flood Management Research Programme, Area 3: *Comprehensive Decision Matrix for Adaptive Coastal Protection Planning* (PI, S\$124k, total S\$1,9M, 2025–2028);
- (2) Social Science Research Council (SSRC) 2025 Special Programmatic Grant: *Inclusive AI in Southeast Asian Cities* (Co-PI, S\$424k, total S\$3,4M, 2026–2030);
- (3) Asia Research Institute (ARI) Special Research Grant: *Digital Asia Collaboratory* (PI, S\$33k, 2025–2026);
- (4) ETH Zurich / State Secretariat for Education, Consolidation Grant: *Platform Urbanization and Citizenship* (Co-PI, total S\$79k, 2024–2025);
- (5) MoE Tier 1: *Towards Coastal Adaptation in Singapore* (PI, S\$86k, 2024–2027);
- (6) Asia Research Institute Event Grant: *Singapore and the Energy Transition. Local and Regional Potentials and Challenges for a Sustainable and Just Transition* (PI, S\$5k, 2024);
- (7) Humanities and Social Science Seed Fund: *Singapore's Entanglement in the Energy Transition* (PI, S\$40k, 2024–2025);

- (8) Swiss National Scientific Foundation (SNSF) Grant: *Exploring new patterns of platform urbanisation and citizenship*, (Co-Pi S\$20k, 2023);
- (9) Future Cities Lab Global: *New Urban Agendas under Planetary Urbanisation* (Co-PI, total S\$2.3M, 2021-2025);
- (10) NUS Start up Grant: *High Density Urban Energy Landscapes* (PI, S\$180k, 2021-2026).

Two further applications are currently under review: MoE Tier 2: *Renewable Transitions in Southeast Asia: Exploring Relational Energy Landscapes*, PI; Toyota Grand Call 2026: *Platform-Infrastructure Problem: Revitalizing Humane Interconnections*, Co-Pi.

6. SELECTED PUBLICATIONS

Journal Publications

- (1) Cuppini, Nicolo, Sarah Barns, Filippo Bignami, Dylan Brady, Jeffrey K. H. Chan, F. Cugurullo, and Naomi C. **Hanakata**. 2025. - (37) **Hanakata**, Naomi C. 2011. "Tokyo, A Structure of Meaning." Presented at the 24th World Congress of Architecture, Union Internationale des Architectes (UIA), July 19, Tokyo.

Symposia Organisation

- 2025 – October: *Platform Urbanisation and Citizenship: Understanding Platform Territories in a Comparative Context*, in collaboration with SUPSI, and Waseda University, Tokyo, Japan.
- 2025 - September: *Platform Urbanisation and Citizenship: Understanding Platform Territories in a Comparative Context*, in collaboration with SUPSI, and Waseda University, Department of Architecture, NUS, Singapore.
- 2025 – June: Just Transitions. Challenges and Opportunities of Necessary Change. Collegium Helveticum, ETH Zurich, Switzerland.

- 2024 - November: *Singapore and the Energy Transition. Local and regional Potentials and Challenges for Sustainable and Just Transition*, Asia Research Institute, NUS, Singapore.
- 2024 – February: *Exploring New Patterns of Platform Urbanisation and Citizenship*, in collaboration with SUPSI, Future Cities Laboratory and Department of Architecture, NUS, Singapore.
- 2022 - *Tokyo Olympic Transformation After the limelight. Transformation of urban realm and citizenship*, September 24, in collaboration with Tsukuba University, SUPSI, and Shibaura House, Tokyo.

Invited Workshop Presentations

- 2026 – July: *The Global Polycrisis: Urban Knowledge Co-Production Across the Global North and South*; VW Volkswagen Foundation and Technical University of Munich (TUM):
- 2025 – November: *Urban Anthropocene and the Habitability of Cities*, Research Center for the Future of Cities, University of Ottawa.
- 2024 – November: *Transitions from the Margins*, Centre for Southeast Asian Studies, Kyoto University.
- 2025 – September: *Urban Futures*, Institute for History and Theory of Architecture (GTA), ETH Zurich.

Exhibitions Contributed

- (1) **Hanakata**, Naomi C., Topalovic, M., & Schmid, C. (2025). *Future Cities Global* [Design]. Venice Biennale, Venice. Retrieved from <https://www.labiennale.org/en/architecture/2025>
- (2) **Hanakata**, Naomi C., & Topalovic, M. (2025). *New Agendas Under Planetary Urbanisation* [Design]. National Design Centre, Singapore.
- (3) **Hanakata**, Naomi C., Topalovic, M., & Schmid, C. (2024). *Urbanisation Processes in Agrarian Territories* [Design]. URA City Gallery, Singapore.
- (4) **Hanakata**, Naomi C. (2023). *Energy Spaces: Challenges in Southeast Asia* [Design]. Agropolitan Seed Town, Cikarang, Bekasi, Indonesia.
- (5) **Hanakata**, Naomi C., Alberto Costa, Naomi C. **Hanakata**, Hiromi Inagaki, Jidong Kong, Adam Ng, Arno Schlüter, and Chistoph Waibl. (2023). *Energy Spaces Design*. Venice Biennale, Venice, Italy.
- (6) **Hanakata**, Naomi C., Christian Schmid, and Milica Topalovic (2023). *Urbanisation Processes in Agrarian Territories* [Design]. FCL Global Exhibition, ETH Zurich, Switzerland.
- (7) Inagaki, Hiromi, and Naomi C. **Hanakata** (2023). *Reaching the Territorial Limit: Operational Fluidity in Bioenergy Production in Northeast Thailand* [Design]. New Urban Agendas under Planetary Urbanisation, Zentrum für Architektur, Zurich, Switzerland.

7. INVITED TALKS

2026 – July: *The Future of Urban Design from Asia*; University of Stuttgart.

2026 – January: *Platform Urbanisation Across Scales: How the Digital Impacts our Cities*; Waseda University, Japan.

2025 – November: *Singapore's Entanglement in the Energy Transition: Challenges and Potentials for a Regional Just Transition*; National Chengchi University (NCCU), Taiwan

2025 – April: *Renewable Energy Expansions in Agrarian Landscapes*, Chair of Architecture and Territory, ETH Zurich.

2024 – June: *Urban Megaprojects and Adaptive Planning Challenges: A Comparative View*, IUSD Lecture, University of Stuttgart.

2024 – June: *Planetary Reverberations: Sustainability Transitions and Territorial Reconfigurations in Southeast Asia*; Department Lecture at the Technical University of Braunschweig (TUB), Germany

2022 – June: *Futurable Urban Energy Landscapes. Singapore's Potential amidst the Energy Crisis*, Urban Futures Congress, Stuttgart.

2021 - October: *Tokyo's Urbanisation Processes in Comparative Perspective*. Nanyang Technological University, Singapore.

8. TEACHING (since 2024)

PhD Supervision (NUS)

2024 – ongoing: Xuelu Wang: *Planning through Time: Adaptive Water Infrastructure Planning in Singapore*

2024 – ongoing: Jiamin Hu: *Singapore's Extended Agrarian Landscapes: Centre-Periphery Relations with Malaysia through Food Provision*

2024 – ongoing: Reetu Kumari: *Solarising the Hinterland: Understanding Socio-Spatial Entanglements Around Utility Scale Solar Farms in India*

2023 – ongoing: Wenjie Zhang: *Sustainable Development in Chinese Urbanism: From Conceptual Localisation to Practical Experience*

2023 – ongoing: Hankang Yang: *Urban Informality and a Formalised City: Incorporated Informality on Pedestrian Streets in Singapore*

2022 – ongoing: Tiantong Gu: *Planting Singapore: Resistance and Cohesion in Urban Landscapes*

PhD Committee

2025 – ongoing: Louise Hirao-Vermare: *Locally Embedded Climate Transition Initiatives in Tokyo*; University of Ottawa;

Master courses

2025 – 2026 Sem 2: ISD5102 – Integrated Studio: Planning Productive Futures, 11 Students;

2025 – 2026 Sem 1: AR5601 – Urban Design Theory and Practice; Lecture, 90 Students;

AR5601 – Urban Design Theory and Practice; Tutorial, 90 Students;

AR595B – Topics in Urbanism: *Designing with Energy*; 19 Students;

2024 – 2025 Sem 2: DEP5107 – Dissertation, Tutorial, 4 Students;

UD5641 – Dissertation, Tutorial, 2 Students;

2024 – 2025 Sem 1: ISD5102 – Integrated Studio: Coastal Futures, 12 Students

AR5601 – Urban Design Theory and Practice; Lecture, 82 Students;

AR5601 – Urban Design Theory and Practice; Tutorial, 82 Students;

AR5952H – Topics in Urbanism: Renewable Energy Spaces, 26 Students;

2023 – 2024 Sem 2: DEP5102 Urban Planning History and Theory, Lecture, 39 Students;

DEP5102 - Urban Planning History and Theory, Tutorial, 39 Students;

UPD5602 - Urban Design Studio, Tracking of Energy and Tracing Localised Entanglements, 7 Students;

UD5641 – Dissertation, Tutorial, 8 Students

DEP5107 – Dissertation, Tutorial, 1 Student

2023 – 2024 Sem 1: AR5601 – Urban Theory and Practice; Lecture, 47 Students;

AR5601 – Urban Design Theory and Practice; Tutorial, 27 Students;
