

Brown Bag Session with Er. Kang Jianhan

Inspirational Engineering Career

Our Speaker:

Er. Kang Jianhan is Director of KCL Consultants Pte. Ltd. since 2011. He received his Bachelor's Degree from Tong Ji University and graduated from National University of Singapore with his Master's Degree in Civil Engineering in Oct 2002. Er. Kang is a registered Professional Engineer of Singapore, Chartered Engineer of United Kingdom, Asean Chartered Professional Engineer (ACPE). He is a member of the Institution of Structural Engineers (IStructE) and Institution of Engineers Singapore (IES). He has been the committee member of IES/IStructE Joint Committee Singapore since 2009.

Er. Kang Jianhan will start with the story on two of the mentors who influence him most on engineering study and career. The first mentor's story is about the habit of critical learning in engineering study during his study in Tong Ji University. The second story is on what he had learned from Dr. Alfred A Yee, who is the renowned pioneer in precast design. The talk followed by his own perception for engineering as career, and the merits of an engineer would raise and achieve during the journey.
