

**You are cordially invited to a Seminar Organized by**

**Department of Civil and Environmental Engineering**

**Low-carbon stabilization/solidification  
of waste incineration fly ash**

by

**Ir Professor Dan Tsang**

RSC Fellow, HKIE Fellow, PhD (Civil), BEng (Civil), CEnv, PgD (Education)  
Ir Professor, MSc Programme Leader,  
Director, Research Centre for Environmental Technology and Management,  
Department of Civil and Environmental Engineering,  
The Hong Kong Polytechnic University

Pao Yue-Kong Chair Professor,  
State Key Laboratory of Clean Energy Utilization,  
College of Energy Engineering,  
Zhejiang University

Highly Cited Researcher 2022 (Engineering) (Environment and Ecology)

<https://www.dan-tsang.com/>

**Host: Asst Prof Iris Yu**

**Date: 26 June 2023, Monday**

**Time: 11 am – 12 pm**

**Venue: E1-06-03**

**National University of Singapore  
College of Design and Engineering  
3 Engineering Drive 2  
Singapore 117578**

**\*\*\*Seats are limited. Please register early. All are welcome and admission is free\*\*\***

## Speaker's Biography

Ir Prof. Dan Tsang is a Professor in the Department of Civil and Environmental Engineering at the Hong Kong Polytechnic University and Pao Yue-Kong Chair Professor in the State Key Laboratory for Clean Energy Utilization at the Zhejiang University. He was Honorary Professor at the University of Queensland in Australia, Visiting Scholar at Stanford University in the US and Ghent University in Belgium, Senior Lecturer at the University of Canterbury in New Zealand, and Post-doctoral Fellow at Imperial College London in the UK. Dan has more than 20 years of research experience and was selected as Highly Cited Researchers 2020-2022. Dan's research team aspires to develop green technologies for fostering carbon reduction and resource circulation.
