

How to Use Canvas

Canvas is a web-based learning management system (LMS) where you can find lecture slides, videos, readings, assignments, online quizzes, and other learning resources in one place.

Accessing Course Resources on Canvas

1. Access Canvas at <https://canvas.nus.edu.sg>
2. Click on **NUS Staff/ Students/ Visitors** and log in using your NUSNET ID and password.

Sign In

Login to your account.

3. Enter your NUSNET ID (*without domain*). e.g. e0123456

If you encounter problems logging in for the first time, please contact NUS IT Care at 6516 2080 or by email at itcare@nus.edu.sg.

4. Once you are logged in, click the **Courses** link [1] to see all the courses you have enrolled in. To access the course: PF1101, click the name of the course: **PF1101 Fundamentals of Project Management** [2]

The screenshot shows a user interface with a sidebar on the left and a main content area on the right. The sidebar contains several navigation links, each with an icon and a label: Account (with a profile picture), Dashboard (with a dashboard icon), Courses (with a book icon and a circled '1'), Calendar (with a calendar icon), Inbox (with an envelope icon), History (with a clock icon), Commons (with a circular arrow icon), Studio (with a computer monitor icon), and Help (with a question mark icon). The main content area is titled 'Courses' and features a close button (an 'x' in a square) in the top right corner. Below the title, there is a course entry for 'PF1101 Fundamentals of Project Management [2220]' with a circled '2' next to it. Below this entry, the text 'All courses' is displayed, followed by a welcome message: 'Welcome to your courses! To customise the list of courses, click on the "all Courses" link and star the courses to display.'

Here's a description of some important features:

	<ul style="list-style-type: none">• Announcements: Read the latest and previous announcements sent by the Module Coordinator• Zoom: Attend online Zoom lecture.
