Getting to the Zoo

Advice to take the MRT and bus. Regular bus/mrt fare applies.

- (i) Alight at Springleaf station (Thomson East Coast Line, TE4), go towards Exit 3 and take bus number 138 (estimate 20minutes ride) and alight at the S'pore Zoo bus bay [bus stop no. 48131].
Or
- (ii) Alight at Choa Chu Kang station (North-South Line, NS4), and take bus number 927 from the bus interchange and alight at the S'pore Zoo bus bay [bus stop no. 48131].

For alternative ways to get to the zoo, refer to the guide provided by Singapore Zoo:

<https://www.mandai.com/en/singapore-zoo/plan-your-visit/getting-here.html>.

If taking MRT/bus, alight at the Zoo bus bay (which is located AFTER the bird park). Walk along the sheltered way from bus bay towards Zoo entrance. Follow the zoo signage.

If you are driving, park at the Multistorey carpark (MSCP), and walk along the sheltered way towards Zoo entrance. Follow the zoo signage.

If it is raining...

When alighting at Zoo bus bay, or from the MSCP, it is a sheltered area all the way towards the Zoo main entrance. So, no worries if it is raining. One can just wait out the rain under the shelter before going into the zoo itself. 😊

Meet up point between 8.30am to 9.30am only

Between 8.30am to 9.30am on 3 November 2024, the ECE Dept admin staff will be at this waiting area located at the intersection between walkways from the bus bay and the multistorey carpark.

Meet us there during this timing for group photo, and/or find a student to join your team for the team mini game!

If you miss us at the above timing, it is ok as it is a free-and-easy outing. Just follow the Zoo signage to reach the Zoo ticket gantry.
