## **Bachelor of Engineering (Engineering Science Programme)**

Recommended Semester Schedule for A-level/IB/NUSHS Students

For Cohort AY2018/2019

| Semester 1  | Unit | Semester 2  | Unit | Year 1 Special Terms                  | Unit |
|---|------|---|------|---------------------------------------|------|
| CS1010E Programming Methodology                           | 4    | GER1000 Quantitative Reasoning                            | 4    |                                       |      |
| MA1507 Advanced Calculus                                  | 4    | GEQ1000 Asking Questions                                  | 4    |                                       |      |
| PC1433 Mechanics and Waves                                | 4    | MA1508E Linear Algebra for Engineering                    | 4    |                                       |      |
| EG1111 Engineering Principles and Practice 1              | 4    | ES1531 Critical Thinking and Writing                      | 4    |                                       |      |
| CF1010 Roots and Wings (Optional)                         | 2    | ESP1104A Sensor System Electronics                        | 6    |                                       |      |
| Sub-total   | 18   | Sub-total   | 22   | Sub-total                             |      |
| Semester 3  | Unit | Semester 4  | Unit | Year 2 Special Terms                  | Unit |
| ESP2106 Principles of Continua                            | 4    | ESP2110 Design Project 2                                  | 4    | EG3612 Vacation Industrial Attachment | 6    |
| ESP2107 Numerical Methods and Statistics                  | 4    | PC2130B Applied Quantum Physics                           | 4    |                                       |      |
| MA2501 Differential Equations and Systems                 | 4    | PC2133 Applied Solid State Physics                        | 4    |                                       |      |
| GE course / Unrestricted Elective                         | 4    | PC2020 Electromagnetics for Electrical Engineers          | 4    |                                       |      |
| GE course / Unrestricted Elective                         | 4    | ME2121 Engineering Thermodynamics & Heat Transfer         | 4    |                                       |      |
| Sub-total   | 20   | Sub-total   | 20   | Sub-total                             | 6    |
| Semester 5  | Unit | Semester 6  | Unit | Year 3 Special Terms                  | Unit |
| ESP3902 Major Design Project 1                            | 4    | ESP3903 Major Design Project 2                            | 4    |                                       |      |
| GE course / Unrestricted Elective / Specialisation course | 4    | GE course / Unrestricted Elective / Specialisation course | 4    |                                       |      |
| GE course / Unrestricted Elective / Specialisation course | 4    | GE course / Unrestricted Elective / Specialisation course | 2    |                                       |      |
| GE course / Unrestricted Elective / Specialisation course | 4    | GE course / Unrestricted Elective / Specialisation course | 4    |                                       |      |
| GE course / Unrestricted Elective / Specialisation course | 4    | GE course / Unrestricted Elective / Specialisation course | 4    |                                       |      |
| Sub-total   | 20   | Sub-total   | 20   | Sub-total                             |      |
| Semester 7  | Unit | Semester 8  | Unit | Year 4 Special Terms                  | Unit |
| ESP4901 Research Project                                  | 4    | ESP4901 Research Project                                  | 4    |                                       |      |
| EG2401A Engineering Professionalism                       | 2    | GE course / Unrestricted Elective / Specialisation course | 4    |                                       |      |
| GE course / Unrestricted Elective / Specialisation course | 4    | GE course / Unrestricted Elective / Specialisation course | 4    |                                       |      |
| GE course / Unrestricted Elective / Specialisation course | 4    | GE course / Unrestricted Elective / Specialisation course | 4    |                                       |      |
| de course / officea elective / specialisation course      |      | · · ·   |      |                                       |      |
| GE course / Unrestricted Elective / Specialisation course | 4    |   |      |                                       |      |

GE course - General Education Pillar

EG3612 - Vacation Industrial Attachment
