While the scholarship will provide most of your financial requirements during the study period, what other additional resources do you have if you may need them?

Why do you want to undertake this particular area of study at this institution?

(Attach copies of academic records and mail this form to the institution where you wish to study. The institution will advise you whether or not your application qualifies for further screening.)

IMPORTANT

- No separate application to ADB is necessary.
- The duly completed information sheet together with all the requirements indicated should be sent to the institution at least six (6) months before the commencement of the intake that you wish to join.
- Only candidates who have been offered admission and endorsed by the academic institutions will be considered for the scholarships by the ADB.
- Scholarship awards are intended for the scholar only, no provision is made for spouses or dependents.
- Completion of the information sheet or admission by the academic institution does not mean that you have been accepted for a scholarship; accordingly you should not take any action with respect to your current employment or otherwise, until you have been informed by the institution that you have been awarded a scholarship.
